Graduation Booklet 2025

LEARNERS TODAY.
LEADERS TOMORROW.

Junaid Elahi

SIRM CEO

Dear Graduates,

Congratulations. You are now proud members of the SIRM Family. You are always welcome to join the SIRM Alumni Association and be part of the SIRM Legacy. We are proud of all our learners. My entire team and I will always be here to support your professional and academic journey. I can assure you, that SIRM and its partners and awarding bodies will always be proud to see you grow and prosper.

I invite you to future SIRM events and look forward to seeing you at all our future alumni engagements. We are particularly excited about your support in building ties with the corporate landscape for your peers. Rest assured, SIRM's doors will always be open for you.

Professor Charlotte Fletcher Morgan

SIRM Principal

Esteemed faculty, honoured guests, family, and, most importantly, the extraordinary graduates of SIRM, I am privileged to welcome you to this year's graduation celebration.

Today's graduation marks a significant milestone in all your lives, symbolizing both an ending and a new beginning. A moment of celebration and reflection.

The life of an adult student, caring for family, holding down a full-time job, bombarded by the rest of what life throws at you; isn't easy. If you add to that, studying full time, you have one busy person. The fact that all of you made that leap of faith to return to education and made it through to today is a testament to your hard work and determination. Congratulations to each one of you.

Meg Sullivan

Partner ESCG

East Sussex College's partnership with SIRM is now well established and we are thrilled to be involved with such a vibrant, warm and talented community of students and staff. The role of an academic partner is a privileged one and our responsibility is to ensure that the awards you receive meet our expectations in terms of academic standards. SIRMs strong emphasis on the student experience complements ESC's reputation for providing a high-quality academic experience and outstanding teaching. Through this process. ESC observes the high quality of work undertaken by students and the broad range of academic and vocational related experience that you receive during your time at SIRM.

Enjoy your graduation ceremony, celebrate your hard work and everything you have achieved so far and look forward to the many opportunities ahead.
